

CCL Project

Digital Postcard

Learning

Collection of Apps
Collecting apps and presenting them based on learning styles/blooms etc.

Fantastic Projects
An understanding of the other fantastic projects and specialism that are taking place

Similar problems
It is reassuring to hear that other schools are in similar positions across Europe

Apps

Action Bound
Treasure hunting using GPS

Help

Awareness
How can we globalise our work and the support out there

Action Bound
Treasure hunting using GPS

E-Safety
A concern that has led to an action is the development of the E-Safety which is now an action for me

Another year
I would love to see the project develop for one more year to be able to judge the impact a little further

Concerns

Training
Is current in service training meeting the needs of teachers?

Strategic implementation
A strategic approach to the implementation of the vision and practical use of IT is important and something I feel needs careful consideration

Key Actions
